

Arlington Housing Authority Assures Veterans Of Fair Play Spikes Rumors Of Preference To Any Individual Or Group

In response to numerous inquiries and persistent rumors being circulated throughout the town, relative to the veterans who have applied for quarters in the new housing project, the Arlington Housing Authority wishes through these columns to reassure the public and veterans in particular, that absolutely no one has been promised, assigned or allotted, any apartment in the new veterans project up to this writing.

The Housing Authority has previously stated that there are one hundred and twenty-six apartments for veterans to be available for the veterans and their families and at the present writing there are one hundred and twenty-six apartment vacancies on the project; i.e., no apartment has been promised or allotted to anyone, veteran or otherwise, by the Arlington Housing Authority.

The Authority announces that there are over five hundred ap-

plications already on file at their offices for the one hundred and twenty-six units, which means that the chances of a veteran are four to one against receiving an apartment allotment.

The Housing Authority will be pleased to discuss the matter with any veteran or citizen interested and wish to announce that any and all applications are being carefully screened and selected as to urgent need, emergency and particular exigency of the cases in consideration.

CWA - CIO MEETING
Monday, November 7th. 8 p.m.
Chestnut Hall, Arlington, Mass.
The program and activities of CWA - CIO will be discussed at this meeting. All traffic employees are invited to attend. Sponsored by: Arlington CWA-CIO Organizing Committee Communication Workers of America.

Addressing the members of the Young Democratic Club of Arlington at a meeting of the organization, held on Wednesday, November 2nd, at the VFW headquarters, State Representative Henry E. Keenan and Joseph E. McEvoy, from this Arlington district, presented the platform to which the Democrats of the Commonwealth are subscribing for their 1950 fall campaign.

"Good legislation of the future will stem from those who take a definite interest in their community in their local, state and national government," so stated Representative Henry E. Keenan in addressing the youthful members of the organization, outlining a blueprint by which the young people of Arlington may learn the rudiments of our democratic form of government. Rep. Keenan advised the young people to review the development of our country from its early years through its many periods both of prosper and depression, and analyze the social development made by this country as well as the physical development up from the early years.

The first requisite for good citizenship, Rep. Keenan states, is that all voters over 21 years of age, register, in order that they may be prepared to cast their vote on election day for the candidates whom they believe will carry out the wishes of the majority. Registration may be made any business day at the Town Clerk's office in Arlington. Such registration, however, must be before 31 days prior to town, state or national elections.

To engage in community activities, such as the many youth programs offered in the town, church, social groups, service clubs and the town meeting form of government, Rep. Keenan considers most important in the life of the young citizen. Thus they acquire a proper method of thinking and approach to community problems. It is through such groups that legislation is started, for changes and improvements in their community life. Such changes develop not from selfish interest, but from a sincere desire to improve conditions for the community as a whole.

In summing up Rep. McEvoy states that "in spite of the unjustified and unwarranted criticism by some of the Republican members of the recent Legislature I am of the firm opinion that the 1949 session was one of the most progressive that Massachusetts has had for a number of years and it was also a session which produced good harmony between the executive and legislative branches."

Rev. George M. Dowd

Most Reverend Richard O. Gerow, Bishop of Natchez, Mississippi, Episcopal Chairman of the Catholic Committee on Scouting, Boy Scouts of America, announced today the appointment of Reverend George M. Dowd of Boston as the National Director of the Catholic Committee on Scouting.

This appointment was made with the hearty approbation of His Excellency Richard J. Cushing, Archbishop of Boston.

He is chairman of the Catholic Chaplains Committee for the New England Region, a vice president of the Boston Council and a member of the National Council of the Boy Scouts of America. Father Dowd also served as the chairman of the Chaplains Committee for the National Council, responsible for the new regulations covering the Ad Altare Dei Award for Boy Scouts.

Under Father Dowd's leadership the Boston Archdiocese has steadily

increased its number of sponsored Boy Scout Units since 1938, from 113 Units to 245 in 1949. This is a national record.

In recognition of Father Dowd's distinguished service to boyhood the New England Region of the Boy Scouts of America last year bestowed upon him the Award of the Silver Antelope.

Father Dowd was born in Somerville, graduated from the Somerville High School in 1920; Boston College in 1924; and was ordained to the priesthood by His Eminence the late William Cardinal O'Connell in April 1929. While in high school and college he played football and baseball and was playground instructor in Somerville. Fr. Mr. Harold Victor Reed Takes Vermont Bride

At a colorful ceremony recently performed at the Union church, in Proctor, Vermont, Miss Louise Ann Chase, daughter of the late Mr. and Mrs. William Leroy Chase, of Leominster, became the bride of Mr. Harold Victor Reed, of Arlington, son of Mr. and Mrs. Guy Reed of Burlington, Vermont. Given in marriage by her oldest brother, Mr. Howard Leroy Chase, of Wakefield, R. Her fingertip veil of illusion was fastened to a lace crown and a crescent-shaped bouquet of gardenias completed her costume.

Mrs. Robert P. Wilhide, of Wilmington, Delaware, was matron of honor. The bridesmaids, Mrs. Roland J. Rivard, of Boston and Miss Elizabeth Henriques, of Leominster, wore identical gowns of mulberry tissue faille, with bands of moss green leaves in their hair and carried bouquets of rubrum lilies.

Mr. Guy Reed, Jr., of Lexington, served as best man for his brother. The ushers included Mr. Winthrop Woodward, of Lexington and Mr. Richard Dramhill, of Watertown.

At the annual Harvest Home supper of the First Baptist church, recently friends and members of the church enjoyed an unusual opportunity to hear Dr. Herbert Gezork, who spoke on the subject "In Front and Behind the Iron Curtain". Dr. Gezork was highly qualified to speak on this phase of the European situation, as he has only recently returned from a summer spent in Europe during which time he extensively studied the existing conditions.

The Harvest Home supper was served promptly at 6:30 o'clock, by

the Philathea Class of the church, under the chairmanship of Mrs. Paul E. Ward.

As this year marks the one hundredth anniversary of the establishment of the Baptist Sunday School in Winchester, the teachers and officers of the present were given a place of honor in the festivities. Recognition of the one hundredth anniversary was also given at the anniversary service held on Sunday, October 23rd, when Dr. Wesner Fallow, of Andover, Newton was the guest speaker.

Six down and three to go is the echo that can be heard around the town. However, across the river, Medford High is really getting in shape to make an attempt to break the existing tie between Arlington and Lowell. This weekend might tell the story, Lowell will face Lynn Classical at Lynn and Arlington will face Medford at 2:00 here in Arlington; The starting lineups are:

IMPORTANT FACTS ON HAIR REMOVAL

In order that a clearer conception may be had of the problems confronting those who suffer with unwanted (superfluous) hair, the expert advice of Olympia Galligan, Instructor of the Thermiquetron System of Epilation was sought.

In her opinion, there is no need for anyone to suffer the embarrassment which superfluous hair creates, when modern science has made such rapid strides in creating the proper technique and system for speedy, permanent removal.

The great majority of superfluous hair conditions encountered daily seem to be due to heredity and stimulation. Many of these cases have aggravated the situation by using and in many cases, misusing temporary methods of relief.

Miss Galligan emphatically believes that the Thermiquetron System of Epilation and the technique it has perfected can offer safe, speedy and permanent relief to all who wish to banish the problem of superfluous hair from any part of the face and body. The important facts that there is no discomfort and the skin once cleared ceases to be an annoyance should be of vital importance.

Town Appointees Must Take Oath

As of Monday, October 31, the so-called Communist Exclusion Act recently passed by the State legislature, went into effect. Town Clerk James J. Giden has notified all department heads that all persons who are newly appointed to a town office or job will be required to take an oath of allegiance to the United States.

All new teachers, laborers and part time workers, as well as those who are re-appointed for a new term at any time in the future, will be affected. A copy of such oath taken by each appointee must be placed on file with the town clerk.

Boy Scout News

Troop Committeeman Carleton K. "Zeke" Finch has consented to serve as Scoutmaster, that's the big news. Under his guidance the Troop has gotten away to a good start and upon a sound footing. Aided by their new Scoutmaster and the Reverend David G. Colwell, an overnight camp was made at Mt. Monadnock October 11 and 12. Eleven Scouts, Charley and Bob Stengle, Ralph Stevens, Tom Quinn Paul Seery, Bradford Ripley, Phil Pearce, Harry Adamian, Harold Estabrook, William Whitney and Steve Downs hiked seven and a half miles around the bottom and over the mountain top. It is said that nearly all qualified for the local lodge of "black feet", while the leaders possibly suffered on their feet and acquired additional "crow's feet" wrinkles for each new wrinkle perfected by their charges. The boys were all on their toes with nary a "heel" among them. The chow was "skookum", the weather fine and many "pale-

faces" were encountered viewing the brilliant autumn foliage.

That's not all. The past few Monday nights have been busy ones. Advancement classes have begun under Mr. Martigan for Signal ling, Dr. Lancaster; First Aid, Second Class, Scoutmaster Finch; First Class and Senior Scouts, Mr. Converse. Troop Committeeman Barker, Berry, Stevens, Whitney and Noble are assisting where needed, while "Old Faithful" Bill Berg has a goodly crew of New Scouts and Tenderfeet in tow. The following have qualified as Tender feet so far: Chris Azadian, Phil Pearce, John Lane, Paul Seery, Bradford Ripley, John Young, Stephen Downs, Alan Robertson, James Snow, Peter Holmes, Richard Gasset and Jay Smith. Then there still five "aspirants": William Heuser, Donald Hilliard, Forrest Wagner, Donald Milland and Joseph Cobuzzi.

Sports Center Meeting Tuesday

The large committee of interested citizens who are planning for the new sports center in Arlington will hold a meeting on next Tuesday evening, in the Hearing Room at the Robbins Memorial Town Hall, at 7:45 o'clock, for the purpose of investigating and considering matters relating to the proposed construction of a memorial physical education program and sports center to be erected at the Warren A. Peirce Playground, at the rear of the Arlington senior high school. This will be the second general meeting of the group for the purpose of discussing plans for the project. All those interested are invited to attend the meeting.

Arlington Manpower Committee Work For Adequate Army-Air Force

With the return of peace to the major powers of the world, wartime manpower requirements in the United States have been eased considerably, or eliminated entirely, particularly with regard to the Armed Services. The result has been, of course, a severe reduction in vital services, more especially in the army and air force.

Although our selective service has functioned admirably in the post war days, in so far as the draft of certain age groups is concerned, there remains a very great need for certain professional men and women, as well as for high grade trainees for the technical branches of the services. An adequate source of manpower for these needs must be found.

To this end, the Army and Air Force Recruiting Service has established, in hundreds of cities and towns, Military Man-power Committees which are organized for the purpose of supplementing the work of the Recruiting Service through community relations and activities, such as undertaking surveys to determine the number of eligible candidates for military service; publicizing the particular needs of the Army and Air Force for certain specialists such as doctors, dentists and nurses now greatly in demand; and acting as civilian counterpart of the Recruiting Service.

This nationwide movement, which has been in operation in

the United States for over a year, has proven to be a source of extreme satisfaction to the Army and Air Force Chiefs, and is a distinct asset to the communities in which its committees function.

The Arlington Military Man-power Committee, composed of citizens of the Town who are vitally concerned with preserving the standards required for an adequate Army and Air Force, is engaged in activities consistent with that civic duty. Good citizenship demands such service from all true Americans. We ask you to be ready to help your Town's Military Man-power Committee whenever an opportunity presents itself.

A. L. Auxiliary Of Arlington Asks Contributions From All For Annual Hospital Gifts

AMBULANCE CORPS TO RUN GIFT DRIVE

A lot of children are going to have gifts this Christmas that they won't expect according to Henry Murdoch, Commander of the Alden Volunteer Ambulance Corps.

The Volunteer Ambulance Corps is running a Gift Campaign called "Santa Claus Anonymous". The purpose being that Santa Claus can give more gifts this year than ever before. They are asking everyone to promise that they will give a gift to a child this Christmas either through their church, their club, or through the advisory committee of this organization.

Alden Volunteer Ambulance Corps is running a non profitable organization made up entirely of volunteers. It was established in 1939 ready to serve the community in high ideals of public service. Their slogan is "First In Disaster".

Gifts can also be sent to the Alden Volunteer Ambulance Corps, State Headquarters, 177 No. Water street, New Bedford, Mass., or the Boston Office, 212 Essex street Boston, Massachusetts.

Locke PTA Auction Friday

An old-fashioned Chinese Auction will be held at the Locke school on Friday evening, November 4th, under the auspices of the Locke school PTA at eight o'clock.

The public is extended a cordial invitation to attend The Ways and Means Committee consisting of Mrs. David Ashton, chairman, and Mrs. Hugo DeFrisch, co-chairman, is in charge.

The American Legion Auxiliary of Massachusetts annually sponsors Christmas gift shop in each Veterans Administration hospital throughout the Commonwealth.

The Arlington Unit wishes to invite the residents of Arlington to join with them in this great work, by contributing either a gift (value to be not over one dollar) or funds that will be used to purchase such gifts.

The auxiliary feels that there are many small private bridge or sewing clubs throughout the section which would be glad to take part in this worthy endeavor. Many of these clubs must have mothers and sisters of returned veterans, who but for the grace of God, would be confined likewise in some hospital, for weeks, months, year or perhaps for life.

The Orchid Ladies of the American Legion Auxiliary work continually in hospitals helping these men. The hospital shops which the organization annually opens at this season enable our boys and men to select gifts for each member of

their family.
On Monday evening, November 7th, a "Shower of Gifts" will be held at the Unit meeting. Gifts may be left at Legion Hall between the hours of 7:30 and 8 p.m., or contact may be made with the president, Gladys V. Kiely, or Helen Dahill, past president. Gifts will also be called for if desired.

All Arlington residents, especially the girls and women of the various Arlington organizations are cordially invited to do their part in this worthy work and make the Christmas holidays a little bit brighter for the hospitalized veterans and their families.

Fund Leaders Optimistic As Drive Rolls Into Homestretch

Chairman Kenney Asks All To Put Shoulder To The Wheel

Chairman Kenney, of Arlington Community Fund campaign expresses great confidence that the good people of Arlington will bring the Red Feather campaign through to a brilliant finale, as according to figures compiled as of Wednesday afternoon, November 2nd, sixty-two per cent of the total has already been collected.

Deserving of honorable mentions are the following: Precinct 5-A, Chairman Edward Regan, with reported 117 per cent collections in: Precinct 8-A, Erich Schreiter, with 115 per cent reported, Precinct 1-A, George D. Reynolds 110 per cent: Precinct

2-A, Mrs Victoria Craig, with 103 per cent collections and Precinct 3, Richard Kiley, with 102 per cent. Especially worthy of commendation is the contribution made by little seven year old Portia Williams, of 82 Bartlett street, the daughter of Mr. and Mrs George H. Williams, who brought in the collections from a halloween party which she held at her home, which netted the sum of \$2.56 for the Red Feather drive.

Chairman Kenney wishes to thank the hundreds of workers, who are giving so generously of their time and effort and who are at this writing engaged in the most strenuous and complete canvass of the homes, and business establishments of the town, ever carried out in Arlington.

There are still many who have not been approached and who are eager to do their part Chairman Kenney earnestly asks any such to get in touch with the local campaign headquarters at once, or call AR 5-4364, at the Old Town Hall.

NAMED CHAIRMAN

"Swing Your Partners" In The Oldtime Dances Goes Over Big Here

Like the covered wagon, the Long Island oyster and the New England boiled dinner, the square dance has migrated eastward and now is going great guns throughout the East, where it originated.

Originally an outgrowth of the stately cotillion, the square dance came to the United States in the seventeenth century from France. Imregnated with New England Puritanism, it later took on an informal flair at New Orleans and gradually worked its way west. Now it is returning to New England.

In Chicago it has grown to such popularity that a recent square dance festival sponsored by the Chicago Sun-Times, drew thousands of eager participants. And in California, where it made a belated debut a few years ago, 30,000 residents, including even the patients of a Los Angeles hospital now swing their partners. Some even "dance" in wheel chairs.

In Hollywood, the fad has now reached its zenith. Dress shops are advertising eighteenth century pantaloons express made for square dancing and ballerinas are giving

square dance lessons to their many friends.

Here in Arlington, the Park Department reports a fine response to the wiles of the old time square dancing. Weekly dances are held at the Junior High School East gymnasium at eight o'clock every Thursday evening. The general public (adults) is cordially invited to attend for an evening of recreation and fun.

Dick Delery with the assistance of Kay McCarthy holds a period of instructions for beginners from 8:15 p.m. to 8:45 p.m. each Thursday. Also at the beginning of each dance the people are briefed in the various steps to be used and the calls to be made during the dance.

For the present recorded music is used during the dancing. Plans are now being made, however, to hold a Harvest Hop in the near future with a regular band at the Town Hall.

SURPRISE SHOWER FOR MISS LAW

Miss Virginia Law, of 8 Palmer street, Arlington, was honored by a surprise bridal shower on Sunday night, October 23rd, held at the home of Margaret Looney, 102 Belmont street, Watertown. More than fifty friends and relatives attended. Miss Law was the recipient of many useful and lovely gifts and hundreds of congratulatory messages in honor of her approaching marriage to Mr. Daniel J. Looney, Jr., of Watertown.

Mr. Looney will graduate from

Boston College in January, 1950. He plans to enter the regular army as a second lieutenant. He served three years in the United States navy during the recent war as a torpedo man, seeing action in both the Atlantic and Pacific theatres of war.

The wedding will take place on January 28th, 1950, at the nine o'clock mass held in St. Agnes church, Arlington.

DEATHS AND FUNERALS

MATTIA CASAZZA

Funeral services for Mattia Casazza, husband of Mrs. Mary (Serino) Casazza, who passed away at his home on Sunday, October 30th, following a long illness, were held from the Berglund Funeral Home, Arlington, on Wednesday morning at 9:15 o'clock, with a solemn high mass of requiem at St. Agnes Church, Arlington at ten o'clock.

Mr Casazza was formerly associated with the shoe business, but had been retired for the past few years. The family has been residents of Arlington for the past 45 years.

In addition to his wife, Mr Casazza leaves six sons and two daughters. The sons are John A. Casazza, popular member of the Arlington Police Department, Charles, Joseph, Thomas, Frank and Edward Casazza, all of Arlington. The daughters are the Misses Rachel and Agnes, both of this town. Twelve grandchildren also survive.

Burial was in Mount Pleasant cemetery, Arlington.

GEORGE H. KENNARD

Funeral services for George H. Kennard, father of Norman S. Kennard, of this town, who died in Cambridge, October 29, were held from the Eliot Congregational church, Eliot, Maine, on Tuesday, at two o'clock. Mr. Kennard was a member of the John Abbott Lodge, A. F. and A. M., and the Bay State Division 413, O. B. C. Burial was in Eliot, Maine.

The new paper, THE LEXINGTON LEADER, is the first in a plan for a chain of weeklies in Middlesex County. First issue of the LEADER will be presented to Lexington readers on Thursday, November 10.

James B. Dunbar, President of Middlesex Publications, purchased THE ARLINGTON PRESS from its founder, George S. Tattan, of Arlington, a short time ago. He took over the WINCHESTER HERALD several months prior to the purchase of the PRESS.

At present a resident of Marblehead, Mr. Dunbar has been active in newspaper and radio circles in New England for the past 15 years.

On completion of his course at the University of New Hampshire in Durham, Mr. Dunbar joined the staff of the DOVER DEMOCRAT, where he eventually became city editor. While in New Hampshire, he also served as Bureau Chief for the MANCHESTER UNION — LEADER and as correspondent for the BOSTON GLOBE.

Mr. Dunbar, while in New Hampshire, was active in community affairs, serving as Secretary of the Gridiron Club, the New Hampshire Sportswriters Association and the Dover Kiwanis club, a junior auxiliary.

— but there's no use pretending that we have EVERYTHING.

We have no coal mines in the Berkshires, no oil wells on Cape Cod. So the cost of shipping in these fuels by rail and boat is a factor in New England's electric rates.

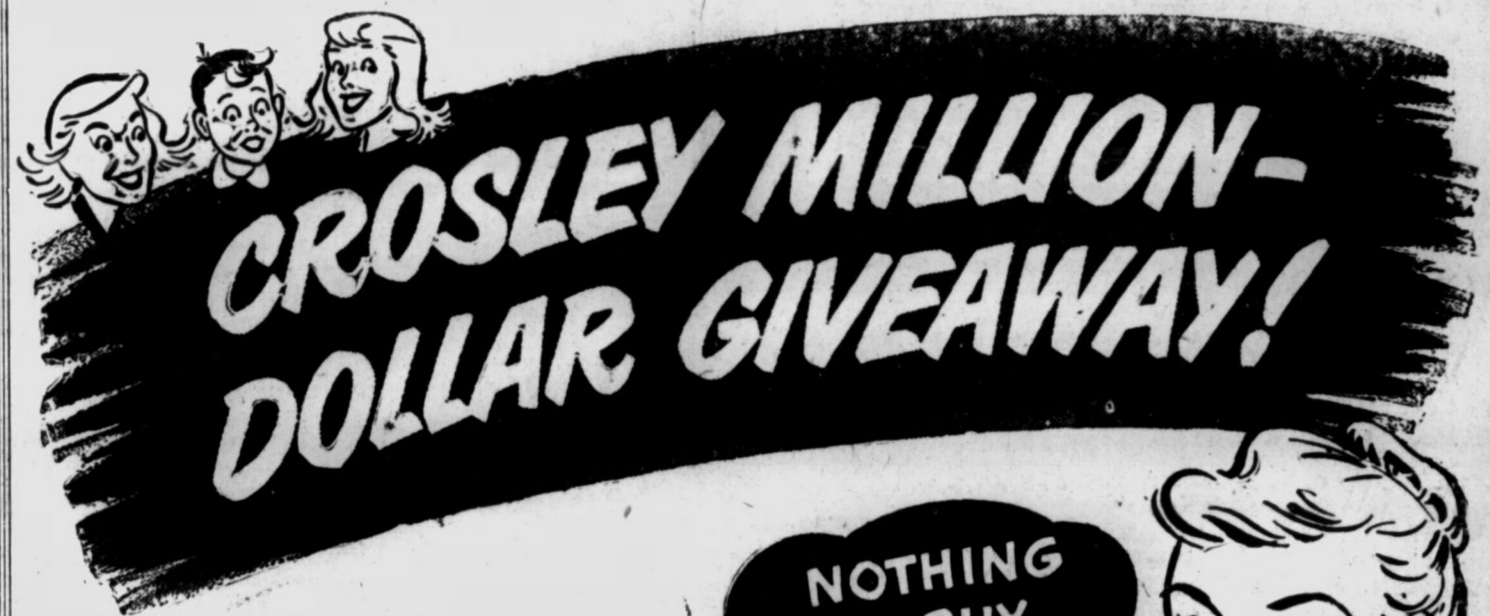

Even so, good management and technical skill are largely offsetting this extra cost. Right here in New England today, electricity is the Number One Bargain in the household budget — penny for penny the biggest money's worth of anything you buy.

WATER POWER

Our water power resources have been developed intensively, but the bulk of New England's electricity must be steam generated because, except in Maine, there isn't enough water power to go around.

Arlington Stops Lynn In 14 to 0 Victory

By FRANK MAHONEY

The Arlington High Red Raiders captured their sixth victory of the year from a very much improved Lynn Classical eleven last Saturday night, before a crowd of 6000 at the Lynn Manning Bowl.

Don O'Brien, fast running 165-pound junior right halfback, scored the two Arlington touchdowns as the Red & Gray continued their battle with Lowell for the Class "A" championship. Lowell won the fight for the City title against Keith Academy last Sunday, so the Class "A" League remains all tied up.

COSGROVE SPARKS ATTACK

In the early moments of the second period Jackie Cosgrove of Arlington, handed off to Don O'Brien on the Arlington 39 and O'Brien carried to the Lynn 28. Then in four plays, O'Brien, assisted by Salisbury and Muello, went over the line for the first Arlington touchdown. Oppedisano kicked the point and Arlington led 7-0.

Lynn received the ball on the kickoff and on their third down a pass from Smith of Classical was intercepted by Cosgrove of Arlington and Arlington took possession of the ball on their own 44. Arlington carried the ball to the Lynn 24 but lost it on downs and Lynn took over. Again Smith made what looked like a perfect pass to Odiorne only to have Arlington's Cosgrove come out of nowhere and intercept it on the Arlington six.

The Raiders started a run back when the half whistle blew.

ARLINGTON BRICK WALL
In the third period, Cattagiao, Smith and Cronin of Classical marched the ball down to the Arlington 16 and then lost it on downs. Arlington took over but on the first play Salisbury fumbled on his own 14 and Stanangelo of Lynn recovered. Smith of Classical took the ball down to the Arlington one foot line for a first down.

The Arlington club then showed the stuff that has won them six straight games. In four cracks at the Red and Gray line Lynn went backward instead of forward. Arlington then taking over on their own one yard line, booted out, and the period ended with Classical running the ball back to the Arlington 38, only to be penalized 15 yards, the ball ending up on the Lynn 35.

ARLINGTON SCORES AGAIN

The fourth period opened with Lynn kicking to the Arlington 34. Salisbury received and ran the ball back to the Arlington 40, then Cosgrove and O'Brien took over and together marched 84 yards for the second Arlington TD with O'Brien doing the scoring. Oppedisano then kicked the point and Arlington won another by a score of 14-0.

Arlington made 14 first downs against six for Lynn. Arlington made 251 yards rushing against 56 for Lynn. The Red and Gray tried nine passes completed two, for 13 yards against Lynn's three out of 14 for 24 yards.

Touchdowns, O'Brien (2), Points after TD, Oppedisano (2).

Winchester Loses 14 to 7 To Underdog Reading

Paul Amico, Winchester's leading football light, was successfully held in check last Saturday afternoon as Reading went on to score 14 points against Winchester's seven at Manchester Stadium before a crowd of some 2000 people.

Underdog Reading scored one touchdown on the final play of the first half and converted a second half kickoff into another touchdown much to everyone's surprise. Larry Schumaker culminated a 60 yard drive by Reading with a one yard plunge and Ed Gadbois made the first of two conversions to give the visitors a half time lead of 7-0.

Winchester presented the Reading club with their second touchdown of the game when they fumbled the second half kickoff on their own 28. Reading took over and on a pass from George Morris to Bob Surdan went over for the second score.

Winchester made its bid in the third period, as Capt. Paul Amico smashed over from the two after a 69 yard march and Bob Smith added the point. Reading, however, held the home team in check until the game ended.

Muench Named Head Of Industrial Association

C. Lawrence Muench, president of the Hood Rubber Company, in Watertown, today was unanimously elected president of the Associated Industries of Massachusetts. Hood is a division of the B. F. Goodrich Company.

Mr. Muench's election climaxed day long business conferences, and speeches and panel discussions of A. I. M.'s 34th annual meeting and industrial conference in the Hotel Statler. Speakeat at the banquet was General Hoyt S. Vandenberg, Chief of Staff of the United States Air Force.

The new A. I. M. head, who recently finished a term as president of the Boston Chamber of Commerce, issued a statement in which he voiced a hope that "in some way I can help the manufacturers of Massachusetts to continue to provide good jobs and good pay for the hundreds of thousands of working men who are the backbone of our prosperous community."

Arlington Players At B. C. Star Material For 1950

The eyes and ears of the Boston College fans have turned from the rather unimpressive varsity squad to what looks like good 1950 prospects.

In the words of Mike Holovak, Jay-Vee coach, "I've got a bunch of fat boys, a few with natural ability." One thing though, they love to play football and they want to play football. As a matter of fact I think that we've got ourselves a ball club.

So let us ride the band wagon with Mr. Holovak and see what Arlington contributions there are to this 1950 club. The Arlington lad that seems to have attracted the most attention is John Doran an end, whom Holovak calls "The best defensive man on the squad." John stands 6 feet and goes at 190 pounds.

Pete McGrath plays left end on both offense and defense and runs at 195 pounds.

Little Henry O'Brien an cast end product is one of the best starting tackles on the squad. "Babe" weighs in at a measly 235.

The fourth and rather unfortunate Arlington member of 'he squad is Bill Emmons. "Bill"

Red Cross In Need Of More Women Workers

Three hundred and ninety-nine Red Cross volunteers served 9,066 hours during the past month in the Production Service of the Boston Metropolitan Chapter of Red Cross.

During this time volunteers assembled and repaired 4,803 garments folded 77,280 surgical dressings and sewed 2,343 miscellaneous articles. These supplies were produced for federal installations and federal hospitals and for civilian community projects.

"These are figures for just one month, a quiet month at that, and do not measure up to the tremendous demand for these supplies," said Mrs. George L. Wrenn, II, the chairman of the Production and Supply Service of the Boston Chapter.

"To continue to meet the heavy demand for supplies we are now sending out an urgent appeal to the women of this town to volunteer four hours one morning or afternoon a week, either to sew or to fold surgical dressings," stated Mrs. Wrenn.

"The sewing is simple and if a woman is familiar at all with her home sewing machine she'll be most welcome in the sewing room at Chapter Headquarters, 17 Gloucester street, where there are hundreds and hundreds of garments to be stitched," Mrs. Wrenn declared.

In the surgical dressings room at 17 Gloucester street, there are thousands and thousands of yards of gauze just waiting to be folded by volunteers. This is a very vital part of Red Cross Production work. Daily, carton after carton of surgical dressings are shipped from chapter headquarters to local federal, military and civilian hospitals.

There is no age limit for this very pleasant and worthwhile work in the Production Service of Red Cross and the need for volunteers is most urgent.

Call KENmore 6-6226 and volunteer for this very important service of the Boston Metropolitan Chapter of Red Cross. "You are needed, and you can help tremendously," said Mrs. Wrenn.

Club Vice-president Mrs. Erven H. Lewis, of 26 Parkman street, in Dorchester, will demonstrate the art at four o'clock Sunday afternoon November 20th at Farlow Herbarium, Harvard University. Preceding this the club will meet there at two o'clock to hunt mushrooms.

Club secretary George S. Coffin, of Belmont reports that the club found 124 mushroom species on its three October field trips and Horticulture Hall exhibit. Of these, 96 species are edible, 3 poisonous, 10 suspected poisonous and 10 rare

Junior Mrs. Guild Barn Dance Tuesday

Tuesday evening, October 25th, was the occasion of the long anticipated barn dance, staged under the auspices of the Junior Mrs. of the First Congregational church. The atmosphere was an authentic representation so far as may be safe under the existing fire laws, of the interior of the old-time barn.

A professional team of callers instructed the dancers and round dancing was featured for those who preferred the latter. In charge of the affair were Mrs. George Whitten, Mrs. Richard Dav-

enport, Mrs. Charles Whitten, Mrs. F. Meredith Cooper, Mrs. Ormond Hessler, Mrs. David Choate, Jr., and Mrs. Harvey Haag.

BLACKSTONE
WASHERS AND IRONERS

The Greatest Washer Value!
IN OUR HISTORY!

Really **WASHES!**

The BLACKSTONE is an AGITATOR WASHER! It uses the same proven, efficient, gentle washing action universally approved in the wringer washers! You can be certain that your clothes will be spotlessly washed, unharmed and free of knots and tangles! It really washes clothes clean!

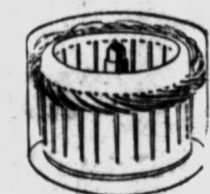

Really **RINSES!**

Only BLACKSTONE offers a scum-removing, double-action, agitated-rinse! After the tub automatically refills for rinsing, a complete change of clean water is introduced. As the agitator loosens dirt and soap scum which floats to the surface, a high velocity spray flushes this scum from the top of the tub before the water is drained out, so it cannot be redeposited in the clean clothes. It really rinses!

Really **SPIN DRIES!**

The BLACKSTONE tub develops such powerful centrifugal force — due to its size and speed of rotation — that most clothes are dried so efficiently they can be ironed at once! It can never twist or strain or tear the fabrics — nor break buckles or buttons! The swift, harmless centrifugal action of the BLACKSTONE really spin-dries!

The GAS Refrigerator

THE ONE—AND ONLY ONE WITH NO MOVING PARTS IN ITS FREEZING SYSTEM

Only Servel's different cold-making system freezes without moving parts — a tiny, thrifty gas flame runs it. Its 10-year-guaranteed freezing system assures you of permanent silence — lasting economy. Before you buy any refrigerator — see SERVEL.
